

AMENDMENTS TO THE SPECIFICATION

Please **replace** paragraph [0054] with the following marked-up paragraph showing changes:

[0054] Rating aggregation module-~~28~~30 may also determine that particular documents may be subjected to additional review. For instance, if a less trusted evaluator marked a document as pornographic, the document may be marked for further review (such as by manual review by the server 2 or its agents). The rating aggregation module may update aggregate ratings (e.g., automatically) at specific times or as new ratings are input into the system.
